**Subject:** I oppose Duke's latest rate hike for dirty energy

Apr 21, 2013

South Carolina Public Service Commission

Dear Public Service Commission,

Duke should quit investing in dirty, old energy like coal and nuclear, and actually invest in the cheaper renewable technologies its executives claim to support. I want the Carolinas to be more energy efficient and powered by local wind & solar that will employ thousands of Carolinians.

Sincerely,

Nigel Purvis  
704 Thistle Gate Trl  
Raleigh, NC 27610-2168
